ALERT NOTICE

Against rumours and fake information about Electives Courses on Social Media.

NCISM offers online self-learning programs as Electives, introduced in curriculum to provide opportunity to students to get introduced, exposed and oriented to various allied subjects that are required to understand and build inter-disciplinary approach.

It has come to the notice of the National Commission for Indian System of Medicine (NCISM) that certain unscrupulous elements are spreading rumours through Youtube, Facebook, other social media platforms about answer keys of Elective Papers. These persons or groups intend to cheat the students and parents as they demand money in return or can even attack computer or mobile for confidential information's. Such irresponsible activities create confusion and panic among the students.

Students are advised not to trust any unauthorized information available on the internet. Kindly visit <https://ncismelectives.org> only authentic information and official communications.
